

MICHIGAN SOCIETY OF PROFESSIONAL ENGINEERS DETROIT METRO CHAPTER

President's Message

By Fritz J. Klingler, P.E.

Thanks!

As the 1999-2000 season comes to a close, I would like to thank all of our Detroit Metro Chapter members for their support this past year. We had a very active year, with seventeen programs offered to the general membership. We created a web site (mspe-detroit.org), we won four state scholarships for our sponsored students, we won several chapter awards at the MSPE annual meeting, and we will finish the year with an over \$1500 surplus. Without the help and participation of our Detroit Metro Chapter membership, we could not have done it.

Whether you volunteered for committee work, attended chapter events, or simply paid your dues, your participation is appreciated. Thank you!!

Detroit Metro Annual Meeting

As advertised on the cover of this month's issue, the Detroit Metro Chapter Annual Meeting will be held at the Grosse Pointe Yacht Club on Friday, June 23, 2000. This is a very fun evening of yacht cruising, followed by dinner and dancing. If you have never attended, please consider signing up this year - - It is always great to see new faces at these events. We look forward to seeing you there!

Membership Drive

If you have enjoyed the programs, the publications and the benefits of your MSPE membership, and if you appreciate the work that MSPE does on the licensure protection and legislative fronts, please consider recruiting a friend or associate to join the organization. An application is included in this month's issue of P.E. Newsletter. Please pass it along!

The Detroit Metro Chapter
