

The Michigan Society of Professional Engineers
 & Sponsored by Professional Underwriters, Inc.
 Invites you to attend a one day seminar on...

Engineering Firms: Managing Risk in a Hard Market

Wednesday, October 30, 2002 DoubleTree Hotel, Novi 9am-3pm

Speaker Profile: Gerald W. Farquhar, Esq. since August of 1972, Jerry has served as a consultant to CNA and Victor O. Schinnerer in connection with their Professional Liability Programs. In this capacity he has assisted in the analysis of claims and the development of loss prevention techniques, and conducted hundreds of Quality Control and Risk Management seminars attended by more than 20,000 professional. His close and daily contacts with professional practitioners has proved a valuable resource in the development of insurance coverages to meet the changing methods of project delivery.
