

Welcome to **VISTEON VILLAGE**

Visitor Information:

- The 265-acre site features nine buildings and 850,000-square-feet of space designed to accommodate more than 3,000 employees.
- A groundbreaking design, the Village features an open landscape work environment that enhances openness, innovation and collaboration and inspires our employees to develop great products for our customers.
- The Village includes six customer innovation centers and three product innovation centers, dedicated to the development of innovative Visteon products and technologies.
- The heart of the Village is Main Street, which quickly connects you to any point within the Village. Main Street reinforces a close-knit community feel and provides a number of amenities for your convenience.
- The Village was planned as a “sustainable design” with minimal impact to the environment. The buildings on campus were constructed using 75 percent recycled material by weight, and 3,000 new trees have been planted on-site.

Visitor Security Information:

- All visitors must check in at the main lobby located in One Village Center. During check-in, guests will receive a visitor badge that should be worn visibly at all times.
- When inside the buildings, visitors must be escorted by a Visteon employee at all times.
- All cameras and other video imaging devices, including mobile phones with cameras, are strictly prohibited unless prior authorization has been granted.
- All persons, including their vehicles, packages, parcels, briefcases, etc., entering or exiting the property are subject to inspection or search.
- Weapons of any type are not allowed on Visteon Property. This includes the grounds and parking areas.
- **Report all emergencies to the Security Command Center at (734) 710-2100.**
