Message from the President

April 2008

Dear Members, Metro Detroit Chapter, MSPE:

Our 2008 Annual Meeting, where we will be celebrating our **61st Anniversary**, will be held on Friday, June, 13. This is an opportunity to share a wonderful evening with colleagues and friends as we look back over the year to thank members for their generous donations of time, money and resources and to celebrate the contributions that we, as Registered Professional Engineers, provide to our community. This event also provides funding to our many educational support programs. We hope to see you there.

We are all becoming increasingly aware of our responsibility to our environment. As part of our commitment to do something positive, our May event is participation in the Motor City Makeover Clean-up Effort. Let's see a strong representation of our members at this event.

Part of our commitment to aiding the environment, or "Going Green", is that we no longer print and mail the PENs. As a result, keeping our email addresses up-to-date is always in progress. If you change your own email address or know anyone who would like to receive issues of our PEN, please send an email to Mustapha Hamood at MHamood@spaldingdedecker.com.

As always, we are looking for members who are interested in becoming involved. If you are interested or have any comments, please feel free to contact me at (734) 453-7900 or mahmoud.el-gamal@psiusa.com.

Sincerely,
Mahmoud E. El-Gamal, PhD, P.E.
President, Metro Detroit Chapter

Please keep the following dates open for our upcoming Chapter Events:

DETROIT METRO CHAPTER CALENDAR 2008
