Message from the President

Dear members,

As we begin another year in the life of the Detroit Metro Chapter, I would like to take this opportunity to thank Dr. Mahmoud El-Gamal for his leadership for the past year, and the Chapter Board and members for their continuous support and trust.

We have a busy and an eventful year ahead us. The first special event will be a meeting for the Past-Presidents of the Chapter. On August 6th, the Past-Presidents of the Chapter that are still in the Detroit Metro area were invited to attend a meeting at the NTH's office in Detroit. The agenda will focus on how to retain, attract and engage the membership.

The Chapter Board will meet every third Wednesday of the month at 7:30 am. A schedule with the date, time and location is included in the PEN. Other scheduled activities are included. The schedule of these activities will be updated periodically.

The success of any event depends on many factors. The principal factor is the commitment of the people involved with the event. I am counting on you to make this year a successful year for all of us.

I look forward to working with, to continue making the Chapter prosperous and to tackle the issues that may impact our profession.

If you have any questions, comments or suggestions, please do not hesitate to contact me.

Sincerely,

Mustapha N. Hamood, PE
President, Detroit Metro Chapter
